

Cheyenne Regional Medical Center

New Graduate Residency Supplemental Application

Please respond to the following questions. **Please type your answers in a separate document and limit your answers to 200 words for each question.**
Submit responses via email to nurseresidency@crmcwy.org

1. Think about a time in which you had to take care of a “difficult patient” either due to illness or behaviors etcetera.
 - a. Describe how you handled this situation
 - b. What did you learn from the experience?

2. Think about a process or a project you have worked on in the past that you were really passionate about either professionally or academically that took a long time to complete (more than a few months).
 - a. What was the project / process you worked on?
 - b. How long were you involved with the project?
 - c. How did you keep yourself (your team if applicable) motivated?
 - d. What was the outcome?
